The Balerno Inn launched in the winter of 2019 after a year long extensive refurbishment of this gorgeous building.

The Inn is family owned and family operated by hospitality veterans who work hard alongside an energetic, empowered team who aim to deliver a warm, knowledgeable and passionate hospitality experience for all our patrons.

Our talented kitchen team are led by head chef Andrew. Chef works with great Scottish suppliers and loves to offer hearty, big flavours. He uses ingredients that are sourced with provenance and minimal carbon footprint in mind.

We have 5 stunning characterful hotel rooms, private dining facilities, and we can host anything from large events to intimate celebrations & of course everything in between.

Thank you for your custom and, if this is your first visit we'd be delighted to show you around.
